

As a school community, we believe our children possess unique gifts and qualities, and as such they have the right to succeed, recognize their own greatness, and develop who they are in a respectful and caring environment. Our school ethos is firmly rooted in our values with a 'love of learning' being the foundation of everything we do.

Each team in our school is responsible for one of our values and you can find out more about these in the links below.

Here are how our values represent the Governments definition of British Values:
