

**Eleven Poems before you're Eleven  
Off by Heart**

**Shampoo Sally**

**Shampoo Sally  
Washing her hair  
Splashing soapsuds everywhere.**

**Soapsuds in the water,  
Soapsuds in the air,  
Soapsuds here and soapsuds there.**

**Shampoo Sally  
Rinsing her hair,  
Splashing water everywhere.**

**Water on the bath mat,  
Water on the floor,  
Water dripping down the bathroom door.**

**Shampoo Sally  
Washing her hair,  
Soapsuds and water everywhere.  
Shampoo Sally doesn't care.**
