Message from Mrs Chatterjee

We have had so many trips and visits taking place in the past two weeks and I wanted to let parents know just how exceptional the children's behaviour has been on these. A highlight for me was when we were in London with our Y6 children. A member of the public said that she teaches in America and would never dream of taking her secondary school children on such a busy trip—she couldn't believe just how well behaved our children were and said they are a credit to the school and parents...they really are. Thanks to all the staff who enable these visits to take place, without their time and dedication they would not go ahead...we really do have a wonderful team.

Last week we invited our Governors into school for our annual Governors Day. I wanted to pass on from the Governors how pleased they were with what they saw on the day. We had several groups of children presenting to Governors on the roles and responsibilities they have in school...& they were impressed with what they were told.

Governors play an important role in supporting the success of our school by providing strategic leadership. They work with me and the other leaders in school to set the school's vision, agree priorities, and monitor progress to ensure all children receive a high quality education.

They regularly visit the school to see for themselves what is working well, gaining first hand insight into teaching, learning, and the wider school environment. Alongside this, they both challenge and support senior leaders, always focusing on the strategic direction of the school.

It is important to note that governors are not involved in operational matters. They do not deal with individual parent concerns or day-to-day issues, which should be directed to school staff through the usual channels.

We thank our governors for their continued dedication and commitment to the school.

SCHOOL TRIPS (On Gateway payment app)

YEAR	DESCRIPTION	DATE
YEAR 2	FORMBY BEACH	FRIDAY 26TH JUNE
YEAR 6	SCHOOL PROM	WEDNESDAY 15TH JULY

Safeguarding is taken extremely seriously at Clarendon. If you have any concerns please speak to Mrs Cairns. Any 'out of school hours' concerns (including holiday) should be made to The Integrated Front Door Team on 01204 337777, if a child is at serious risk of harm please contact the Police on 999.

We have a Safeguarding section on our website. This has information on about how we process data from external bodies—such as the Police (operation Encompass).

CHANGES TO LUNCHTIME MEAL OPTIONS

Polite reminder to all parents that any changes to school dinners must be made via the school office.

If your child would like to change from school dinners to pack lunches or packed lunches to school dinners please come to the office to inform us.

Any outstanding dinner money debts would have to be paid BEFORE a child can be changed over to a packed lunch

Trips & Visits

We have plenty of trips and visits booked in the coming weeks. These are only viable if we collect money for the experience and the transport. These can't go ahead without the funding. This is explained to all parents at the start of the year. Payment plans can be set up if you are in financial difficulty but you must speak to a member or the Senior Leadership Team to discuss circumstances.

Reception STAY & PLAY

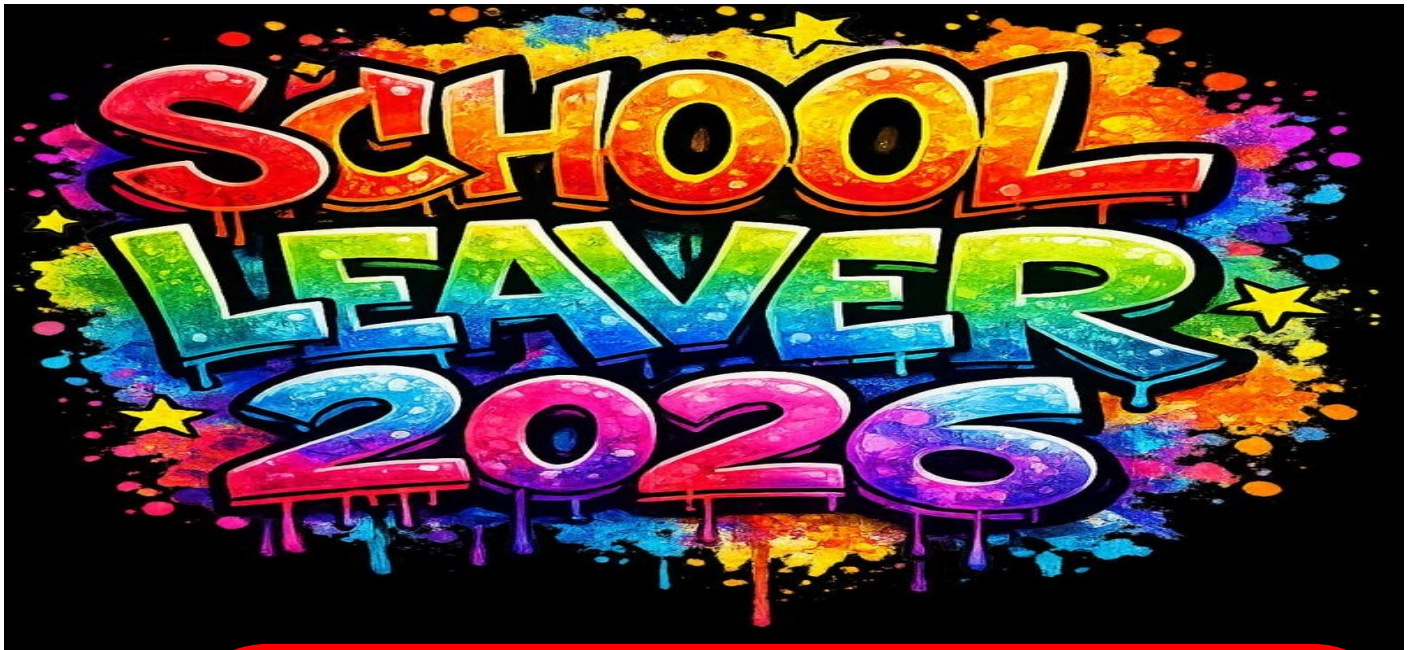

Parents of children in our current Reception classes are invited to come along on

MONDAY 22ND JUNE

9:00AM

for a Stay & Play session with the child.

CLARENDON PROM 2026

We have a special event taking place for our Year 6 children to celebrate the end of their time at Clarendon Primary School.

This celebration will take place on:
