

Clarendon's

Values

Clarendon Primary School

Statement of Values

As a school community, we believe our children possess unique gifts and qualities, and as such they have the right to succeed, recognise their own greatness, and develop who they are in a respectful and caring environment.

Our school ethos is firmly rooted in our values with a 'love of learning' being the foundation of everything we do. Therefore, the values we promote through all that we do and say are...

Challenge

Love of Learning

Aspiration

Resilience

Enjoyment

Nurturing

Determination

Optimism

Nobody left behind

Sharing

Vision

Acceptance

Leadership

Uniqueness

Everyone

Success

Each class champions a school value and demonstrates how as a community we can excel and celebrate uniqueness. In this book, each class has taken their value and wrote about what it means to them.

Challenge

To push yourself when a task
or activity is hard. To try
everything once and consequently
get somewhere you never thought
you could.

Love of Learning

This means learning and that
we love it! We really love writing and maths.

When we learn, we don't say
'oh no!', we love learning and we get
taught new stuff. We love it.

Aspiration

As leaders in school our ambition is for all children to achieve their full potential and grow into aspirational young adults.

We hope that our school continues to develop and our children's love of learning is embraced and challenged.

Resilience

We think resilience means that you never give up! Even if the whole world doubts you, you still carry on and keep trying your best. All the time.

Enjoyment

Enl^oym^oent

'You play with everything you like.'

'It means if you like it, you enjoy it.'

'You enjoy to play outside.'

'You enjoy playing with toys.'

Nurturing

Nurturing

'You have to look after us.'

'To look after our family at school.'

'It is like caring for a bird.'

'To put children on their lap if they are crying.'

'Looking after, caring and sharing.'

Determination

We think determination means
never giving up what you want
to achieve and giving all you've
got.

Optimism

Being nice to people.
That I will do
well in my work.
I will be a
good friend at
school.

I will be kind.

Optimism means
that you say good
things to each other.

Nobody Left behind

We think that Nobody left behind
is making sure we don't leave
anybody out when we're playing
games, need help with, work or
when they're feeling upset.

Sharing

Sharing

Sharing is caring.

I share my toys !

We share our sweets.

Vision

We think vision means understanding what you see and not judging people by how they look. Looking to the future and following your dreams.

Acceptance

A cceptance

We make sure nobody gets left behind.
We all have to be in school and we
are all friends. We all want to do
things so we all get a turn. Everyone
is safe.

Leadership

Leadership means nobody left behind.

Everyone joining in.

Always helping each other.

Doesn't put people down.

Everybody playing a part.

Responsible for everything.

Supporting all friends.

Hearing everyone's opinions.

I'm always respectful.

Please join our team!

Uniqueness

Uniqueness

'There is only one of me!'

Everyone

Every One

'We all have to be in school.'

'We are fair to all the children here.'

'Everyone is safe!' 'We all get a turn.'

'We make sure no-one gets left behind.'

Success is when you are determined to try
your best and to be confident in everything that
you do to achieve everything that you've ever
wanted.
